# Open Data Sharing

InfoChip enables manufacturers to publish asset data to users with any device using ultra durable RFID, a cloud database and free smartphone apps.

**1**  
**Attach & Scan**  
Unique ChipID

**2**  
**Associate**  
Mate asset details from production systems with ChipID then upload to Open Cloud Database.

**3**  
**User Scan**  
Scanning ChipID provides original asset data via web portal or free smartphone app.

## For Any User

Scan the unique ChipID to download free smartphone app and track your equipment today!
